We have called attention tructor, who get pay for their services. plans, on the part of our city, to coun-Impositions and frauds have been so teract these movements, and to prevent ong nuposed upon the press that we are these roads from operating to the prejun article which would have filled two movements of other cities, and govern olumns, gravely informing us that the herself accordingly. writer wished "to inform the public Please give us a favorable notice in for home consumption should be delivyour columns, and also send me as many copies as the inclosed stamps will pithy, business talks should be tolerated where the public has to pay the land as far back as the year 1805, which was the only paper printed in that part of Pennsylvatia. by an entire stranger, and deeply in- audience. The most influential voices crested in the business aforesaid. Four in the earlier and better deliberations of ostage stamps were inclosed. The our country were never heard in bunandesty of this request from ours come speeches. It was said of "truly," at first appalled us. As soon as we had recevered sufficiently to hold a that he generally exhausted the en we wrote a reply, informing him we question before the house in a few would be giad to aid him in "informing words uttered while rising from and rethe public" on the usual terms. . Pay. suming his seat. "I served," says tag the postage on our reply with one stamp, we inclosed him the other three Washington in the Legislature of Vircopies" of General Washington's proile, which we hope were "correct and it with Dr. Franklin in Congress. satisfactory," being the only three never heard either of them speak ten H. T. TOMLINSON ples we had. Now, this gentleman minutes at a time, nor to any but th tid not intend to be impertment or dis- main point which was to decide the conest in making his request, but if we question. They laid their shoulder ad asked him to send us a moderate to the great points, knowing that NO. 17 MADISON ST., MEMPHIS. apply of the article he wished us to inform the public about, and inclosed of themselves." The more brainless money to pay the freight, he would the legislator, the longer the speeches have considered us both impertinent and that fall from his flabby lips. An alder eranged in the bargain. We are often | man talks less than a councilman, and gravely asked and expected to insert both more than a member of the legislature. This general assertion is not algratuitously, to fill up our paper, in eading matter or editorial, the best ways true, since a proper councilman, kind of an advertisement, that which now and then, gets as far from home as ests us money to insert and which bene- Nashville; but paucity of words is in lets the asker. Politicians, candidates for inverse ratio with redundancy of ideas; in office, and others who never think of other words, the greater the fool the advertising, do not hesitate to request more he has to say. Short speeches generally have listeners, or, in any the insertion of this or the other piece, event, readers; and we commend this because it interests the public, although means of shaping public opinion to gen it promotes their own interests much We can generally "fill up" our columns without assistance, but are alville law-giver the less he will have to vays grateful for sensible and disinterested suggestions. A merchant might say, and the less his wisdom or folly will

as well expect his advertisements to be

inserted for nothing, because it "interests the public" to know where to find what they want. If we employed labor at the usual price per thouand whose fate is still a mystery, i sand types set up, this extorted gratuitous advertising would cost hundreds of spite of the efforts of the police and of dollars. The mere paper on which such both public and private detectives, nided printing is done would wrap up most of in nearly every case by a lavish expendthe men who ask for it. Nor do we see liture of money. The list, no doubt, conwhy a newspaper should be mounted, by tains the names of some who have wiloliticians seeking offices of honor and fully absconded, of kidnapped children, wont, and ridden free of charge. In the of women who had good reason for ate canvass for Congress for the State wishing their friends to think them at large, the APPEAL paid out one thousand dollars cash to the printers who of the cases in this way, there remains et up the matter, favoring the election the rather startling fact that, in a dozen weeks, the lives of as many people have of General Cheatham. The editors gave their time and labor, and paid out of their been snuffed out so mysteriously as to COMMISSION MERCHANTS, pockets one thousand dollars for the benne clue to his motive; no trace to his elit of others. We rofer to this case as an crime, and yet Grant's model message flustration of what is constantly occurhas not the remotest reference to the ing. Why should custom require us to kukluxism that reigns in New York. my out five hundred dollars to favor the -pirations of those who were recently THE Cincinnati Enquirer says that is andidates for the Legislature in this the last letter which Mr. Greeley wrote county? The press, type and fixtures of to his friend Charles Lanman, of Washthe APPEAL are private property; yet they are required to be used and worn ington, he stated; "I do not regret havout in pushing others forward free of ing braved public opinion when I thought it wrong, and knew it to be harge. People imagine we owe somemerciless." How characteristic of the hing to the party-we owe it nothing. if we relied upon party patronage we this be a part of it. man! When his epitaph is written, let would soon perish. We have long since sarned that when an office-holder has layors to grant he uses them as bribes with which to propitiate his enemies, Mayor and Aldermen should have and trusts that a sense of fidelity to proper representatives in the Commerparty will prevent his friends from as- cial Convention to meet on the sailing him. And it generally does, eleventh instant in St. Louis. while his enemies, finding that he prizes hostility more than friendship, take pains to give him hostility enough. We are not at all dissatisfied with Mr. Hodgson has resigned his profeshis state of things; it pleases usinfinitely sorship in the University of Alabama. better to feel that we owe our success The employes on the Alabama and and presperity, not to the patronage of Chattanooga railroad are again on a any party, but to the public apprecia- strike. tion of a newspaper. Journals that live on party pap have to get along with on his premises.
